

BATHROOM & WETROOM INSTALLATION GUIDE

WE'LL BE WITH YOU EVERY STEP OF THE WAY
TO HELP CREATE YOUR DREAM BATHROOM

ABOUT US

Established for over 15 years in South West Devon, and still growing strong, DSB will be there every step of the way to help create your dream bathroom.

We understand that every project is important.

From domestic bathrooms and wet rooms to commercial wash rooms, our team of highly trained and experienced engineers go the extra mile to ensure 100% job satisfaction.

We specialise in design and custom built installations which require the highest level of planning and accuracy, whilst still delivering the quality and cost effective service which we pride ourselves upon.

As a supply and installation company, we can provide you with a wide choice of our own bathroom fittings or order direct with major retailers. DSB will make the ordering and delivery process hassle free.

Let your imagination be a DSB installation

Superb service! Right from the first visit Dan listened to what we wanted to do, made suggestions and found solutions to best utilise our small family bathroom. The DSB fitters were punctual, professional and friendly. We now have a modern and stylish bathroom that works for us, has plenty of storage and is easy to clean! - C Bouchard

OUR VISION

At DSB we deliver upfront, honest quotations personally tailored to each individual client. We achieve this by having dedicated experts in their field from initial survey to completion of your work. We do this because we understand the industry demands attention to detail from start to finish.

WHY CHOOSE DSB?

💧 Hassle free and all under one roof. We take care of all aspects of your installation

💧 Our work comes with a 12 month parts and labour guarantee

💧 A superior customer experience, from start to finish

💧 Fully qualified fitters trained to the highest standard within their field

THE DSB PROMISE

We know that upgrading your property can be expensive which is why here at DSB we offer unrivalled levels of customer satisfaction and experience.

INSTALLATIONS WE OFFER

Bathroom Renovations

DSB provide a complete all under one roof service, from design to supply and installation. We can convert or upgrade your existing main/family bathroom, en-suite, shower room or cloak room and help you achieve the bathroom of your dreams.

Our two specialist teams are trained to the highest standard to carry out:

- 💧 Plumbing & heating
- 💧 Plastering
- 💧 Tiling
- 💧 Painting
- 💧 Electrical works

"Dan and his team have installed a Sanctuary bathroom for me. Everything was replaced, they even insulated the bathroom for me. They fitted underfloor heating and tanked the bathroom so I could get a minimalist feel. I am delighted. They were professional, 100% trustworthy and on time. Big big thank you team DSB" - Jo G, Teignmouth

Disabled Adaptations

DSB can help you convert your existing bathroom into a more accessible space. We understand that life has its challenges but your bathroom doesn't have to be one of them.

Wet rooms are an ideal solution to claim back some independence for those with limited mobility and can make assisted care even easier. We recommend ALTRO anti slip flooring and all our integrated mobility aids from AKW are carefully designed around you to help you make the most of your home, whatever your needs...

If you want to make some adaptations to your home, you may be eligible for financial support from your council to make small changes. For larger adaptations, you can apply for a Disabled Facilities Grant. You'll not have to pay VAT if the work's being done to help you because of your disability.

Wet Rooms

A wet room is a totally waterproofed or tanked bathroom with a shower area at the same level as the rest of the floor. The water drains away through a flush drain within the shower area. As the walls and floor are sealed by a waterproof membrane, there is no risk of runaway water causing damage.

School & Business Wash rooms

DSB is able to cater for the installation or upgrading of business and school wash rooms.

"Dan and his team did a truly amazing job of transforming our bathroom. They did a professional job, completed on time, on budget and, to the highest possible standard" - *Keith M*
