Our Values

At DSB, our vision is to provide a bespoke bathroom experience, crafted with precision and care. We believe in delivering upfront, honest quotations, tailored specifically to meet the unique needs of every individual client.

Our dedicated team of experts ensures excellence at every stage, from the initial survey to the final touches. We pride ourselves on our attention to detail, understanding that the key to a successful bathroom renovation lies in meticulous planning and flawless execution.

With DSB, you can expect a personalised, professional service that prioritises your vision and satisfaction above all else so you can enjoy a beautiful, functional space that you'll love for years to come.

Our Promise to you

We know that updating your property is a big decision so we promise to deliver a bathroom renovation experience that exceeds your expectations. We are committed to providing:

- **Dedicated Expertise:** A team of skilled professionals guiding you through every step, from initial survey to project completion.
- **Attention to Detail:** Meticulous planning and execution to ensure a flawless finish and a bathroom you'll love.
- **Customer Satisfaction:** Your vision and satisfaction are our top priorities, and we won't rest until you're completely happy with the results.

Choose DSB for a bathroom transformation that combines quality, style, and exceptional service. That's our promise to you!

We believe in making your bathroom installation experience seamless and enjoyable.

1. **Initial Consultation:** Our journey begins with a comprehensive consultation where we discuss your vision, needs, and budget. We take the time to understand your unique requirements to provide a personalised quote.
2. **Detailed Quotation:** After our consultation, we provide you with a detailed and transparent quote. If you're happy with the proposal, the exciting part begins!
3. **Showroom Visit:** You'll be invited to our bathroom showroom in the heart of Newton Abbot. Here, you can explore a wide range of fixtures and fittings, from classic to contemporary styles. Our knowledgeable staff will assist you in selecting the perfect elements for your new bathroom.
4. **Setting the Date:** Once you've chosen your fixtures and fittings, we'll agree on a convenient date to start the work. We coordinate everything to ensure a smooth process from start to finish.
5. **Expert Installation:** Our team of skilled fitters takes over, bringing your vision to life with precision and care. From demolition to final touches, we handle every aspect of the installation, ensuring high standards of workmanship.
6. **Constant Communication:** We are with you every step of the way. Our team provides regular updates, answers any questions, and ensures you are satisfied with the progress.
7. **Final Reveal:** Once the work is complete, we conduct a thorough inspection to ensure everything is perfect. We'll then reveal your brand-new bathroom, ready for you to enjoy.
8. **All Under One Roof:** We pride ourselves on managing the entire process under one roof. This means less hassle for you and a more cohesive, efficient service from our experienced team.

How we Work

Bathrooms & Wetrooms

DSB specialise in bathroom renovation services that blend style, functionality, and quality craftsmanship.

Whether you're looking to modernise an outdated bathroom, create a spa-like retreat, or maximise a small space, our expert team is here to bring your vision to life.

Full Bathroom Renovations

Transform your entire bathroom with our full renovation services. From initial design to final installation, we handle every detail to ensure a seamless and stunning result.

Full En-Suite Renovations

Optimise your en-suite bathroom for both style and function. Our team can create a personalised, efficient space that meets your specific needs and complements your home's aesthetics.

Bath to walk in shower conversions

Transforming your bathroom by replacing a traditional bathing space with a walk-in shower offers numerous advantages that enhance both functionality and style. First and foremost, a walk-in shower maximizes space, creating an open and airy feel that makes your bathroom more inviting. This design not only allows for easier access, making it a safer choice for individuals of all ages, but also contributes to a sleek, modern aesthetic that elevates the overall look of your home.

What's included?

All our installations come with a full range of services, including waste management, plumbing, electrical work, building services, shower wall panel installation, tiling, supply of sanitary ware, and waterproof tanking. We ensure every aspect of your project is handled efficiently for a seamless renovation experience, backed by our 12-month warranty for added peace of mind.

Full wet room conversions.

A wetroom conversion transforms your bathroom into a sleek, open-plan, fully waterproofed space, where the shower area is seamlessly integrated into the room. Wetrooms offer a modern, minimalist look and provide level access without the need for a shower tray, making them practical and accessible. The conversion process includes professional waterproof tanking to protect your home from leaks, installation of gradient flooring for proper drainage, as well as tiling, plumbing, and all necessary fixtures. With easy maintenance and accessibility, a wetroom is both a stylish and functional upgrade for any home.

Wetroom style shower area

A wetroom-style shower tray with a curb offers the benefits of both an open-plan wetroom and the practicality of a traditional shower tray. The walk in style tiled wet area is designed to sit flush with the bathroom floor, creating a sleek and minimalist look while ensuring efficient water drainage. The curb provides a subtle raised edge to help contain water within the shower area, preventing any overflow. This setup is ideal for those who want the modern appeal of a wetroom with the added security of a defined shower zone. Our installation process includes expert waterproofing, gradient flooring, and a tailored finish to suit your bathroom's design, all backed by a 12-month warranty for your peace of mind.

A wetroom offers numerous benefits, making it a popular choice for modern bathrooms. Some key advantages include:

- **Open, Minimalist Design:** Wetrooms create a sleek, open-plan space without the need for bulky shower enclosures or trays, giving the bathroom a clean, contemporary look.
- **Increased Space:** By eliminating barriers such as shower doors or trays, wetrooms make even the smallest bathrooms feel larger and more open.
- **Improved Accessibility:** Wetrooms provide level access, making them ideal for people with mobility issues, as there are no steps or curbs to navigate. This feature also makes cleaning easier, with fewer surfaces to scrub.
- **Waterproof Protection:** The entire room is fully waterproofed (or "tanked"), ensuring long-term protection against leaks and moisture damage.
- **Added Value:** Wetrooms are considered a luxury feature and can increase the value of your home, especially when done professionally.

At DSB Bathrooms, Wet Rooms, and Disabled Adaptations, we are extremely proud of our reviews. Discover why our customers rave about us! Read recent Google reviews to see how we deliver exceptional service and results!

We are delighted with our refurbished shower room and the installation by DSB. The team contributed helpful solutions which have produced exactly what we hoped for and made the best of our constraints. Simon, our fitter, was outstanding in every way and we are amazed at what he achieved in just 7 working days. Happy to recommend them and to use them again ourselves.

Dave Owen ★★★★★

Brilliant Company from start to completion of new bathroom. Staff all very knowledgeable and polite. The fitters Martyn and Joe we're extremely good at their respective trades and very polite, jovial and very willing to please. Would recommend 100%.

Sue Searle ★★★★★

A superb service from this excellent company from start to finish. Thoroughly professional and there to adapt or remedy as the work progresses. I would use them again and recommend to others. Thank you Dan and the team.

Mike Wickens ★★★★★

From start to finish DSB Bathrooms swiftly removed my old fashioned & dated bathroom suite, they created a new modern bathroom design to replace it with. The workmen were professional & courteous and a joy to have around. I would recommend this company to anyone looking to update their bathroom.
